

**ACTION PLAN**  
**between the Food Safety Agency of the Republic of Azerbaijan and**  
**the Ministry of Agriculture of Hungary**  
**for the years 2025–2027**

The Food Safety Agency of the Republic of Azerbaijan and the Ministry of Agriculture of Hungary, hereinafter referred to as the “Participants”,

Proceeding from the provisions of the “Memorandum of Understanding between the Food Safety Agency of the Republic of Azerbaijan and the Ministry of Agriculture of Hungary on cooperation in the field of food safety and animal health” dated February 3, 2022 and the “Memorandum of Understanding between the Food Safety Agency of the Republic of Azerbaijan and the Ministry of Agriculture of Hungary on cooperation in the field of plant quarantine and plant protection” dated January 30, 2023,

Have decided to implement cooperation in the following areas for the period of 2025–2027 years:

- Exchange of experience in the organization of veterinary and phytosanitary control at border inspection posts;
- Study and application of advanced practices in the prevention of zoonotic diseases and control over veterinary medicinal products;
- Promotion of mutual experience in the laboratory diagnostics and risk analysis of zoonotic diseases;
- Cooperation on the organization of work in quarantine areas during the export of animals and veterinary measures carried out before export;
- Mutual exchange of information regarding import-export restrictions on products under veterinary control, as well as the epizootic situation in the respective countries;
- Exchange of experience on registration procedures for products subject to registration (including novel food products; genetically modified organisms and feed; food additives; feed additives; biologically active food products; natural mineral waters; plant protection products (including pesticides, biological products and agrochemicals) and veterinary medicinal products.
- Strengthening of information exchange and promotion of the application of advanced technologies in the field of plant quarantine and protection, including the detection of invasive species.

In order to discuss matters of mutual cooperation, the Participants will hold bilateral consultations at least once a year.

Amendments and additions to this Action Plan may be made upon mutual consent of the Participants.

This Action Plan will be implemented from the date of its signing and will remain in effect until December 31, 2027.

Signed in Budapest on 5 September 2025, in two original copies in the English language.
